Information About The Service

Description of the Service

Pivotel Iridium Pivot plans use the Iridium low earth orbit satellite network (LEO) constellation of 66 cross linked satellites orbiting the Earth together with a compatible Iridium handset.

You can use the service to make and receive domestic and international voice calls and to send and receive text messages (SMS) within the Iridium Mobile Satellite Network coverage area. Calls made or received outside the Australia/New Zealand coverage area are charge at a higher rate. Please refer to the table above and the coverage map at <https://www.pivotel.com.au/networks/iridium/>. Within the coverage area, you can access data services including emails and browsing the Internet. Data call charges apply.

Eligibility

Pivotel Iridium Pivot plans are available to any user operating within the Iridium Mobile Satellite Network Australian coverage

area. Operating outside the Australian coverage area will be charged at the applicable value-added services rate (see <https://www.pivotel.com.au/plans-iridium-satellite-phone-plans.html>).

Group 105 plan

A minimum of 3 services are required to subscribe to the Pivotel Iridium Group 105 Plan. Each service will be charged the same monthly airtime plan charge and receive the same monthly included value.

Mandatory Goods

You need a compatible Iridium handset to use this service. You can bring your own Iridium handset, or you can purchase one outright from us.

Information About Pricing

Included Value

The included value can be used for Satellite outgoing standard national calls, standard national mobile calls and standard SMS within the Iridium Mobile Satellite Network Australian coverage area. The included value is not applicable for premium calls, calls to special numbers, international direct dial (IDD) calls, premium SMS, and calls made outside of the Iridium Mobile Satellite Network Australian coverage area.

Incoming Calls

Incoming calls to your Iridium Pivot service within the Iridium Mobile Satellite Network Australian coverage area are free of charge. Incoming calls to your Iridium Pivot service outside the Australian coverage area are charged at \$2.42 per minute.

Calls to International Numbers

The cost to call international numbers can be found at <https://www.pivotel.com.au/plans/international-call-charges>.

Data Calls

The cost for data calls using the direct internet services are charged at \$2.20 per minute.

Non-standard Call Rates

The cost to call non-standard numbers (e.g. other satellite services, special numbers) can be found at <https://www.pivotel.com.au/plans-iridium-satellite-phone-plans.html>

Plan Changes

Change of plan is not allowed during your contract term. However, you can change your plan after your contract term at a fee of \$25.

Service Suspension

Service suspension is available at \$15 per month for a maximum of 180 days in any 12-month period. Service suspension is only allowed up to 3 times in that 12-month period. Service that is suspended during a contracted period will have the contract end date extended by the period the service is suspended.

Early Termination Charges

If you cancel your plan before your minimum contract term, the following early exit fees will apply:

$$\text{Monthly Charge} \times \text{months remaining on your contract}$$

Late Payment

A late payment charge of \$11 per month applies if you fail to pay on time.
