Pivotel Inmarsat Fleet One Global Plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit www.pivotel.com.au/our-networks/inmarsat/ for a coverage map. Fleet One Global plans are available to any size of vessel anywhere on the world's seas. A Maritime Mobile Security Identity (MMSI) must be provided upon provision of the service. An Inmarsat Fleet One terminal is required to access the Pivotel Inmarsat Fleet One service. All Fleet One calls are charged in 60 second increments, unless otherwise stated. All Fleet One data is charged in 20KB increments. Pivotel may apply call barring where fraudulent use is suspected or for credit control purposes. Prices are in AUD including GST and are subject to change. Actual charges may vary on your statement as charges are rounded to the nearest cent before GST is included. A 12 month minimum term applies. The provision of the service will continue after conclusion of the minimum term of the contract unless you request, in writing, cancellation of the service. You may choose to waive the minimum term only by paying a \$50 contract waiver fee at the time the service is connected. You may receive a pro-rata access fee charge on your first Pivotel bill, calculated from the actual date of service connection to the date of your first bill. You will receive a bill by email from Pivotel listing any payments you have made during the billing period, and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. Itemised billed and unbilled service usage is available in the secure Selfcare website at <https://selfcare.flexxbill.com/self-service/pivotel/>. An itemised bill listing all of your service usage events is available on request. You may elect to receive a paper bill by post for an additional fee. Pivotel plans are available to credit approved customers only. Service suspension is available for \$10 per month per service. Services can be suspended for a maximum of 180 days in any 12-month period. Service suspension is only allowed up to 3 times in that 12-month period. Services that are suspended during a contracted period will have the contracted end date extended by the period the service is suspended.
