

The SPOT Trace is a theft-alert tracking device powered by 100% satellite technology. The small, lightweight device allows you to track anything, anytime and anywhere - from your boat to your car, jet ski, motorbike or trailer. When the SPOT Trace detects movement it will automatically notify you of its GPS coordinates via SMS or email, so you know exactly where your valuable assets are.

FEATURES

- ★ Low cost asset tracking and theft-alert satellite device
- 🌐 Monitor assets in near real time using Google Maps™
- 🔔 SMS or email alerts when movement is detected
- 📍 Select from 2.5 through to 60 minute tracking intervals
- 🔍 Compact enough for covert installation
- 🔋 Long battery life and plug-in power options
