Pivotel's BGAN service enables voice and data connectivity at speeds of up to 492 kbps, wherever your operations take you.

**Portable Connectivity**  
Light, compact, tough and reliable terminals for easy-to-deploy satellite voice and data communications.

**Vehicular Connectivity**  
Turn your vehicles into mobile communication hubs with satellite voice and data communications.

**Fixed Connectivity**  
Connect, monitor and control services and applications in rural, remote or unmanned locations.

Get more from your satellite service on the Pivotel network!

- Manage your satellite data and control your costs with the Pulsar® web-based self-service dashboard
- All satellite data and voice traffic is carried on Pivotel's secure carrier grade network
- Choose how you route your data with options for a static public IP address or virtual private network tunnel
- Standard '04' mobile numbers that make your services easy to use and cheaper to call
- Dedicated team of locally based satellite communications specialists here to support you

Pivotel Inmarsat BGAN plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit [www.pivotel.com.au/inmarsat-coverage/](http://www.pivotel.com.au/inmarsat-coverage/) to view a coverage map. No limit of number of SIM can be activated on each BGAN SCAP plan. Data is billed in 100kB increments. All calls are charged in 60 second increments unless otherwise stated. Included call value excludes premium calls, calls to special numbers and premium text. Pivotel may apply call barring where fraudulent use is suspected or for credit control purposes. Prices quoted are in AUD including GST and are subject to change. 12 month minimum term applies. Please refer to the above table for minimum cost over 12 months for the plan. Plans can be upgraded at any time but will only take effect on the next billing cycle and minimum term will be reset. A plan downgrade is not allowed. A compatible Inmarsat BGAN device is required to access the Pivotel Inmarsat BGAN service (see device pricing). You will receive a bill by email from Pivotel listing any payments you have made during the billing period and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. You may receive a pro-rata access fee charge on your first Pivotel bill, calculated from the actual date of service connection to the date of your first bill. Itemized billed and unbilled service usage is available in the secure Selfcare website at [www.pivotel.com.au/selfcare](http://www.pivotel.com.au/selfcare). An itemized bill listing all of your service usage events is available on request. Pivotel plans are available to credit approved customers only. You can manage your data usage of the service to control your cost via Pivotel Pulsar® Data Management Portal. Visit [www.pivotel.com.au/wholesale-pulsar-portal/](http://www.pivotel.com.au/wholesale-pulsar-portal/) to learn how to manage your data usage.
