Pivotel Inmarsat BGAN plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit [www.pivotel.com.au/inmarsat-coverage/](http://www.pivotel.com.au/inmarsat-coverage/) to view a coverage map. Data is billed in 100kB increments. All calls are charged in 60 second increments unless otherwise stated. Included call value excludes premium calls, calls to special numbers and premium text. Pivotel may apply call barring where fraudulent use is suspected or for credit control purposes. Prices quoted are in AUD including GST and are subject to change. 12 month minimum term applies. Please refer to the above table for minimum cost over 12 months for the plan. The provision of the service will continue after conclusion of the minimum term of the contract unless you request, in writing, cancellation of the service. A compatible Inmarsat BGAN device is required to access the Pivotel Inmarsat BGAN service (see device pricing). You will receive a bill by email from Pivotel listing any payments you have made during the billing period and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. You may receive a pro-rata access fee charge on your first Pivotel bill, calculated from the actual date of service connection to the date of your first bill. Itemized billed and unbilled service usage is available in the secure Selfcare website at [www.pivotel.com.au/selfcare](http://www.pivotel.com.au/selfcare). An itemized bill listing all of your service usage events is available on request. Pivotel plans are available to credit approved customers only. You can manage your data usage of the service to control your cost via Pivotel Pulsar® Data Management Portal. Visit [www.pivotel.com.au/wholesale-pulsar-portal/](http://www.pivotel.com.au/wholesale-pulsar-portal/) to learn how to manage your data usage.
