Satellite phone accessories available for the Thuraya XT-PRO. Accessories sold separately.

### FIXED DOCKING UNIT

The Fixed Docking Unit-XT (FDU-XT PLUS) is a home and office docking adapter that allows you to use the Thuraya XT-PRO phones in an indoor setting. Simply connect the FDU-XT PLUS with the antennas; then dock your Thuraya XT-PRO handset into the cradle and start enjoying satellite phone connectivity. Easy to install and operate, it supports voice, data and fax transmission and comes with SAT and GPS antennas with 25m cables to ensure seamless connectivity.

Includes -

- FDU-XT PLUS main unit with auxiliary handset
- SAT antenna with 25m cable
- GPS antenna with 25m cable
- Universal power supply
- Wall mounting bracket
- USB cable and RJ-11 cable
- Support CD and User manual

### VEHICLE DOCKING KIT

Vehicle docking kit offers simple and reliable communications in vehicles. Simply insert the Thuraya device into the adjustable phone cradle, connect the antenna, the loudspeaker, and the microphone, and start enjoying satellite connectivity on the move.

Includes -

- Phone holder with suction mount
- External magnetic mount antenna with 5m cable and adaptor cable
- Loud speaker and Microphone
- Car Charger with pin type
- User Guide

### EXTERNAL ANTENNA

The external antenna provides improved satellite signal reception when used on the move or stationary, e.g. in caravans, vehicles or boats.

### BATTERY

An additional battery serves as a backup for the Thuraya XT-PRO and extends usage time when you have no access to electricity.

### TRAVEL CHARGER

The travel charger connects your phone to a mains socket. The exchangeable plugs allow charging in most parts of the world. (with EU/UK/CHN/AUS plugs) .

### USB CABLE

With a USB cable you can upgrade the software of the Thuraya XT-PRO easily when new software versions are released.

### CAR CHARGER

A car charger ensures that the Thuraya XT-PRO DUAL is never out of power while you are on the move.

### SOLAR CHARGER

Charge the Thuraya XT-PRO even when you have no access to electricity.

### WINDSCREEN RAM MOUNT

Standard windscreen RAM mount for the Thuraya XT-PRO with suction cup base.

### AQUAPAC

Thuraya Aquapac - Waterproof your Thuraya handset with a submersible Aquapac! The patented Aquaclip® sealing system provides an IPX8 rating which makes your Thuraya phone submersible to a depth of up to 10 metres. Safely protect your Thuraya phone from water, dust, dirt, snow, sand, oil and whatever else you might encounter. It is custom made for Thuraya phones, is compatible with all current Thuraya handsets (XT-PRO DUAL, XT-PRO, XT-LITE, XT, SatSleeve main unit without adaptor) and comes with a handy black lanyard.
