Information About The Service

Description of the Service

Pivotel Fleet One Coastal plans use the Inmarsat geostationary earth orbit satellite network together with compatible Inmarsat Fleet One terminals.

You can use the service to make and receive domestic and international voice calls and SMS within the Inmarsat Mobile Satellite Network coverage area (see <https://www.pivotel.com.au/inmarsat-coverage/>). Within Coastal regions, you can access data services including emails and browsing the Internet.

Exclusions

Data services are not available outside of Coastal regions. Information about the Pivotel Fleet One Coastal satellite network coverage can be found at <https://www.pivotel.com.au/inmarsat-coverage/>

Eligibility

Pivotel Fleet One Coastal plans are available to recreational vessels and small regional fishing boats in coastal regions, and under 500GT. The vessel cannot be a floating platform or rig, and a Maritime Mobile Security Identity (MMSI) must be provided upon provision of service.

Mandatory Goods

You need a compatible Fleet One terminal to use this service. You can bring your own Inmarsat Fleet One terminal or you can purchase one from us.
