- Callers to you pay standard call-to-mobile rates
- Dedicated team of satellite experts based in Australia here to support you

The Thuraya Maritime 79 Promo plan offer is available until the 30th of June 2021. Pivotel Satellite Thuraya Maritime plans use the Thuraya Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit www.pivotel.com.au/thuraya-coverage/ for a coverage map. Data is billed in 10kB increments. All calls are charged in 1 minute increments unless otherwise stated. Prices are stated in AUD inclusive of GST and are subject to change. Included call value excludes premium calls, calls to special numbers, IDD (international direct dial) calls and premium text. Pivotel may apply call barring where fraudulent use is suspected, or for credit control purposes. Please refer to the table above for the minimum term and minimum cost for each plan. Actual charges may vary on your statement as charges are rounded to the nearest cent before GST is included. A compatible Thuraya device is required to access the Pivotel Thuraya service (see handset pricing). You will receive a bill by email from Pivotel listing any payments you have made during the billing period, and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. You may elect to receive a paper bill by post for an additional fee. You may receive a pro-rata access fee charge on your first Pivotel bill, calculated from the actual date of service connection to the date of your first bill. An itemised bill listing all of your service usage events is available on request. Itemised billed and unbilled service usage is available in the secure Selfcare website at www.pivotel.com.au/selfcare. Pivotel plans are available to credit approved customers only.
