Information About The Service

Description of the Service

Pivotel Thuraya Maritime plans use the Thuraya geostationary earth orbit satellite network (GEO) together with a Thuraya handset.

You can use the service to make and receive domestic and international voice calls and to send and receive text messages (SMS) within the Thuraya Mobile Satellite Network coverage area (see <https://www.pivotel.com.au/our-networks/thuraya/>). Within the coverage area, you can access data services including emails and browsing the Internet. Data charges apply.

Contractual Term of the Service

Pivotel Thuraya Maritime plans are month-to-month plans with a 6-month minimum contract term.

Eligibility

Pivotel Thuraya Maritime plans are available to any user operating within the Thuraya Mobile Satellite Network coverage area.

Continuance of Service

The provision of the service will continue after conclusion of the minimum term of the contract unless you request, in writing, cancellation of the service.

Mandatory Goods

You need a compatible Thuraya maritime terminal to use this service. You can bring your own Thuraya maritime terminal, or you can purchase one outright from us.
